

Papa Mbao

Senior Learning And Development Specialist

Calgary, AB • (587) 438-4464 • pap.bconsulting@gmail.com • [LinkedIn](#) • [Portfolio](#) • Bilingual: English / French

PROFESSIONAL SUMMARY

Learning technology and instructional design professional with 7+ years of experience building, administering, and optimizing enterprise learning ecosystems. Proven expertise in LMS administration, SCORM/xAPI/ctmi5 deployment, learning governance, accessibility (WCAG 2.1 AA), analytics, reporting, and digital learning design. Experienced partnering with HR, IT, business leaders, and SMEs to align learning programs with operational, compliance, safety, and performance objectives. Strong background in LMS configuration, learner data integrity, content lifecycle management, and continuous improvement through learning analytics.

PROFESSIONAL EXPERIENCE

Senior Learning Developer & LMS Administrator

June 2020 – Present

Xpan Interactive Inc. | Calgary, AB

- ▶ Administered enterprise LMS platforms (Cornerstone, Moodle, SCORM Cloud, Xact); configuring catalogues, curricula, enrolment workflows, and user access while maintaining data integrity and system performance.
- ▶ Deployed and managed SCORM 1.2/2004 and xAPI-compliant eLearning content with validated tracking, compliance reporting, and audit support for stakeholders.
- ▶ Designed and developed high-quality digital learning solutions (eLearning, microlearning, blended) using Storyline, Rise 360, Lectora, Captivate, and WebGL; managing full course lifecycle from needs assessment to LMS deployment.
- ▶ Built LMS analytics dashboards providing real-time learner performance data to program managers, enabling data-driven decisions on learning effectiveness and content improvement.
- ▶ Increased learner course completion rates by 25% through gamification strategies embedded in SCORM-compliant modules.
- ▶ Created custom HTML5/JavaScript interactions extending interactivity beyond authoring-tool defaults, and applied WCAG 2.1 accessibility standards across all deliverables.
- ▶ Collaborated with SMEs and instructional design teams on needs assessment, learning objectives, and content lifecycle management from intake through retirement.

eLearning Developer – Lectora Specialist

Mar 2025 – May 2026

Calian Group Ltd (Remote - Contract) | Ottawa, ON

- ▶ Developed high-quality eLearning modules in Lectora adhering to SCORM/xAPI standards for a national training audience, applying adult learning principles and instructional design methodologies.
- ▶ Extended course functionality using JavaScript and HTML5 for advanced interactive scenarios; ensured WCAG 2.1 accessibility compliance and cross-platform compatibility.

eLearning Developer

Feb 2019 – Jun 2020

Educatus (Remote - Contract) | Brampton, ON

- ▶ Designed interactive learning programs grounded in instructional design best practices; integrated H5P, HTML5, and SCORM for multi-device LMS delivery.
- ▶ Applied accessibility and responsive design principles ensuring content was usable across desktop, tablet, and mobile environments.
- ▶ Researched and implemented emerging eLearning tools and pedagogical approaches to continuously improve learner experience.

Multimedia Developer

Jun 2017 – Jun 2020

Parenty Reitmeier Inc. | Winnipeg, MB

- ▶ Produced eLearning modules, training animations, and video content for corporate audiences using Articulate Storyline, Captivate, Camtasia, and After Effects.
- ▶ Produced motion graphics and instructional animations using After Effects and Premiere Pro; led localization of courses into French and Spanish for multilingual learner populations.

Audio Visual Technician

Jan 2016 – Apr 2020

“Nos manitobaines engagées” | Winnipeg, MB

- ▶ General audiovisual equipment operation including sound systems, wireless microphones,
- ▶ audio mixing, video projection, basic lighting, and video camera operation.

Camera Operator Jets Winnipeg

Sep 2016 – Jun 2016

Les Productions Rivard | Winnipeg, MB

- ▶ Assembling and setting up equipment - capturing live action

IT Assistant

Sep 2015 – May 2016

Université de Saint-Boniface | Winnipeg, MB

- ▶ Provides support to the Information Technology department; including follow-up to ensure
- ▶ return of technology equipment; coordination of IT projects; maintain office supply inventory

CORE COMPETENCIES

LMS Platforms	Administration, configuration, reporting, integrations
eLearning Standards	SCORM 1.2/2004, xAPI/Tin Can, cmi5, AICC — packaging, deployment, compliance tracking
Authoring Tools	Articulate Storyline, Rise 360, Lectora, Adobe Captivate, H5P, Camtasia, Vyond
Web & Code	HTML5, CSS3, JavaScript, React, Python, — custom interactions
Instructional Design	Needs assessment, storyboarding, curriculum development, learner-centred design, SME collaboration
Multimedia	Adobe Creative Suite, After Effects, Premiere Pro, Final Cut Pro, Unity, 3ds Max...
Accessibility	WCAG 2.1 AA compliance, inclusive design practices across all deliverables
Languages	English (professional) • French (professional / bilingual)

EDUCATION

Diploma in Multimedia Communication

2014 – 2017

Université de Saint-Boniface — Winnipeg, MB

Master's in Multimedia Communication

2010 – 2012

Université Libre de Dakar — Dakar, Senegal

Bachelor's in Public Relations, Advertising & Applied Communication

2007 – 2010

Université Libre de Dakar — Dakar, Senegal

NOTABLE ACHIEVEMENTS

- ▶ Increased learner course completion rates by 25% through gamification strategies embedded in SCORM-compliant modules.
- ▶ Built LMS analytics dashboards providing real-time learner performance data to program managers and stakeholders.
- ▶ Led localization of eLearning courses into French and Spanish, broadening access for multilingual and global learners.
- ▶ Assistant Art Director for the television series "LA FRANCOMOBILE".
- ▶ Former Graphic Design Instructor at multiple institutions in Dakar — experience designing curriculum and teaching digital skills.
